MEASUREMENTS: 36DD-25-38
HOMETOWN: LEXINGTON, KY.

Hi, I'm Jenny the intern. High school senior Katie is *eee-vil* because she tries to hide her big boobs at school. She says she doesn't want guys who are only interested in one thing, but *hello*? This horny little so-and-so is *always* thinking about sex!

What are your interests?
Movies. Music. Books. I *attempt* to write poetry, but I'm not that good.
How would you describe yourself?
Sensual, laid-back, honest, loving and sensual—*oops*, did I say "sensual" twice?
How often do you think about sex?
All the time! I don't think there is a minute when I don't think about sex.
What turns you on the most?
When a guy kisses my neck.
What kind of guy are you looking for?
Trustworthy and caring. I'm too old to play games.
Favorite part of a guy's body?
Eyes and a nice smile.
What do you think guys find sexy about you?
Breasts, butt and legs. But I like it when guys are attracted to my personality.
What makes you feel sexy?
When I am confident and being noticed by both guys *and* girls!
Where is the best place to have sex?
In the driveway at 3 a.m. on the hood of my boyfriend's parents' car.
What's your favorite oral-sex position?
I like to get down on my knees so I can lick the guy's balls and have him jerk off into my open mouth.

How do you feel about swallowing?
I love it. I love the taste. I also like it when the guy comes on my tits, but even then I usually lick it all up!

Do you like anal sex?
I love it! I only tried it once, but I had an orgasm within minutes.

What made you want to try anal?
My BF at the time started by kissing the sensitive areas on my back and fingering my butthole. That got me *soo* hot. I wanted it bad!

What do you think about when you masturbate?
Gigantic cocks and huge balls! LOL! I think of lots of things, but my fave is to think about having sex with another girl.

What's your favorite sexual position?
I like it from behind. That way the guy can stick a finger in my butt while banging me.

What's your most erotic sexual fantasy?
To blow two guys at once! One time, I was giving my guy friend a BJ, and his roommate totally walked in on us. At first I froze, but then I just kept going while this other dude watched. I got so turned on, I wanted to suck him off, too! That would be the hottest thing ever.

Did you like posing nude?
Yes. It was the naughtiest thing I've ever done—so far! ;) ★

"Stick a finger in my butt!"

DEAR BARELY LEGAL

PANTY CONTEST WINNERS

Announcing the results of BARELY LEGAL's Anniversary 2008 Panty Giveaway contests! J. B. of North Carolina scored Louisa Lanewood's rockin' cum catchers (we hope he keeps his promise!); Tony of Connecticut nabbed Alana's undies with his hard-on and soft sell; and J. Marc Gibeau of Wisconsin just had to win the panties of Scarlett Fay—it was a matter of life and death! Congratulations, guys!

Dear BARELY LEGAL,

Thanks for allowing me to gaze upon Louisa. I have always had a weakness for rocker babes. And since she hails from Alaska, and nights can be six months long, you do the math—HOT girl—rad body—party time. I also read that she masturbates whenever she can get a guy to do it for her. Boy, would I like to volunteer for that detail—again and again and again.

I used to play the drums in my college days, but haven't played in years. They just sit in an empty corner of my basement. But I promise, if I win Louisa's panties, I will start back up. I would really love to win her panties, but what would be even better is getting to bone her on a big bearskin rug right in front of my drums. Talk about a rock-hard beat.

I think she has some of the nicest pussy lips I have seen, and I would love to French kiss them until I needed buckets of Chapstick. I would walk to Alaska to be able to say I was the proud owner of her panties.

Keep rocking, Louisa. If I am awarded your panties, they will hang on my drums—and not in the basement. They will be moved upstairs into the living room for all to see. I love you, Louisa. Thanks for brightening up my day, you sexy rocker you.

Sincerely yours,
J. B.
North Carolina

Dear Alana,

Hi, my name is Tony. I am 56 years old. I love looking at young, naked girls, and when I saw your pictures, I just couldn't take my eyes off you. I hope you do more movies. I would love to be home watching you. What would make it even better is if I had your panties in my hands and sniffing them. If I win your panties, I hope they will still be wet. I would watch your movie and hold them up to my nose and sniff them and lick them until your smell is all over my face. I would then take them to bed with me and hold them close to my face until I go to sleep. When I wake up in the morning, they will be next to my face. What a way to wake up. I hope I win. If I don't, I can still see you in the magazine and hope to see you in more movies.

Writing this with a hard-on,
Tony
Connecticut

Dear Scarlett Fay,

I would so like to win your panties. In fact, I need to win them to stop my cock from throbbing so much. Redheads have always been my favorite. A redhead gives me an instant boner. An 18-year-old redhead makes me so hard, my cock hurts. But looking at your pictures with your red hair in those pigtails made my dick so hard, it grew a whole inch!

If I were lucky enough to win your panties, I would be the happiest guy on the planet. When the package arrived, I would rip it open and then tear all my clothes off so I could put your panties on. The minute your panties were covering my cock, I would shoot the biggest load of cum I have ever shot. What a relief for my aching cock. To get further relief, I would spend the whole day in just those cum-filled panties. I would come in them every hour. The next day I would wear those cum-filled panties to work and be using the restroom to relieve myself.

Hoping to win your panties so that I don't die from a terminal hard cock.

J. Marc Gibeau
Wisconsin

Dear BARELY LEGAL Magazine,
For years I kept up with *Live Young Girls* magazine, until I hooked up with your magazine. I've been with you now for the past two to three years. I always tried to win those sexy panties from *Live Young Girls* for years. After a while, I gave up trying to compete with those young guys and their young minds. Then I started buying panties that looked like the ones those girls were trying to give away. I always bought size seven, because that is what I fit into comfortably.

I'll soon have my 58th birthday. I can't even think of winning any of those pretty panties from any of your SEXY young ladies. So I beat off to all the pics and just wish I could win.

Take care, and keep those pretty girls showing off their pretty bodies.

Sincerely,
R. R.
Indiana

R. R., you don't have to worry about competing with "young minds." The winner of Alana's panties (see above) is 56—that's only two years' difference! Tons of guys of all ages enter our contests, and you have as good a chance as anybody. You should totally go for it. Just ask the readers below! ***—Lindsey***

Dearest Skylynn,
Hey, it's Talbert. Do you remember me? I won the contest for your panties. As you can see in the enclosed photo I sent of my collage, I'm very excited and proud of my achievement and of how very sexy of a young lady that you are!

Thank you and take care,
Talbert [January 2007 Panty Giveaway Contest winner]
Illinois

OMG, Talbert! Your collage is so gorgeous, and very artistic. I feel honored to be hanging on your wall!! Thank you!!!!!! ***—Love, Skylynn***

Dear BARELY LEGAL,
I can honestly say, I'm the luckiest man alive. You see, a couple of months ago, I was the winner of your panty contest. I received the delectable Marie McCray's sweet little panties. Thank you, Marie, for your special gift to me.

I also wanted to update you about your former undergarments. Your panties are safe. I have them locked up in a floor safe, in an airtight container, no less, along with your steamy magazine layout. Your heavenly scent will be preserved for eternity, Marie.

Oh, I take them out on occasion to quench my thirst. When I first received them, I thought I would never put them down. I would take them to work with me. If someone knew what I had in my pocket, I would have been busted.

I had to finally find a place for them. You see, whenever I would get a whiff of Marie, I would get that urge to start beatin' the meat. Just imagine—Marie was once wrapped in the soft, tight material. I'm handling Marie's panties close to my face now, my eyes closed, and a vision of Marie I'm playing in my mind is reminding me that there is a heaven on Earth.

Thank you, Marie McCray and BARELY LEGAL,
B. H. [May 2008 Panty Giveaway Contest winner]
California

B. H., you could win any girl's panties with your awesome writing. But I'm glad you got mine! ***—xox Marie***

Dear Lindsey and Jessie [August 2008],
I am writing in response to Jessie's wish to be informed by men who masturbate in response to her pictures. I have done so repeatedly. Jessie is a very exciting girl, and she reminds me of one I made love to many years ago. Jessie is a girl to dream of. I hope that you bring her back for a repeat performance.

Perhaps I should add, I have enjoyed your magazine since the first issue. I have particularly appreciated the format since Lindsey has been your voice and "emcee." She does an excellent job. Continue the great work!

Very truly yours,
J. S.
Michigan

Dear BARELY LEGAL,
I love your magazine and have been an avid reader and looker for years. I have to say that Jessie is the hottest girl I have seen. This is my first time writing you. I just wanted her to know, I would drink as much pineapple juice as possible, just for her to taste a sweet load.

R. S.
by Internet

Dear BARELY LEGAL,
I am writing to you about Jessie in the August 2008 issue. She is just so hot, and she also seems to have a really awesome personality to match. I am sorry to hear that a girl with bigger boobs was chosen over Jessie [to be cheer-squad captain]. They must be crazy. She has great boobs—nice and pert, just the way that I like them. I like to masturbate to her photospread, but it just doesn't compare to the real thing. Oh, how I WOULD LOVE TO MEET JESSIE!

Horny in Idaho

Thanks for answering my question, you guys! Lindsey says that actually I got the most letters of anybody in the August issue, but she couldn't fill the whole column with just me. And I was like, "Why not?" J/K. Anyway, to everybody who wrote, THANK YOU. You made posing for BARELY LEGAL my best experience ever! ***—xx Jessie***

MADELINE ZIMA

The Nanny

Back in our May and June issues, we featured TV child stars of the '70s and '80s who grew up to be serious (i.e., topless) actresses. Well, now three kid stars of the *'90s* are revealing their talent and titties—and a tantalizing connection!

Okay, first there's Madeline Zima, whose boobies are currently starring on the Showtime series *Californication* (2007-). Maddie is best known as little Gracie on the sitcom *The Nanny* (1993-99), but she was *discovered* by a writer/director who wanted her for a movie called *Alice*. That writer/director? Woody Allen.

Next we have Rachel Miner, who bared her boobs in *Bully* (2001) and on the clearly awesome *Californication*. Her biggest acting job as a kid was on the soap *The Guiding Light* (1990-95). But her very *first* acting job, in 1990, was in...*Alice*, written and directed by Woody Allen.

Finally, there's Evan Rachel Wood, who went from lonely preteen on the drama *Once and Again* (1999–2002) to perky-nipped legal teen in *Across the Universe* (2007). Her latest movie? *Whatever Works* (2009), written and directed by...*Woody Allen*.

You guys, this can mean only one thing: Scarlett Johansson, star of *three* Woody Allen movies, is *finally* going to show us her titties! Thank you, Mr. Allen!

MICHELLE TRACHTENBERG

YOUNG CELEB FANTASY

We wish former '90s child star Michelle Trachtenberg would make a Woody Allen movie, too. We and reader A. T. of Illinois are dying to see her naked, but she is being stubborn.

Michelle was a little dork on Nickelodeon's *The Adventures of Pete & Pete*, so it was a total shock when she emerged fully smokin' as a teen on *Buffy the Vampire Slayer*. You would think she'd be happy about her new hotness and drop trou as soon as she turned legal. But no. Michelle's all, "In L.A., people definitely depend too much on skin. I choose what to reveal."

Well, Michelle, *we* choose for you to reveal as much skin as possible!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Michelle Trachtenberg actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I *love* Christmas, but to be honest, it's always kind of a letdown. Like, there's this BIG buildup, and you're waiting, waiting, waiting for the day, and then it comes, and then it's OVER. And then you have to wait another whole year.

You know what's *never* a letdown? BARELY LEGAL! Every issue is one big present—and it lasts for hours and days and weeks and months and...*forever*.

It's true! Just open the December 2008 issue. See Capri's shiny, wet pussy? It will *never* lose its sparkle. Cutie-pie Ann's pert nipples are permanently erect, and Katie's glorious globes will be round and firm for all time. Melanie Jayne's adorable butthole will *always* be as pink as candy. And beautiful Snow Flake will never melt away. :)

I don't know which to play with first—my titties or my pussy! BARELY LEGAL is just the best gift ever. And you wanna know the *very* best part? Unlike Christmas, it comes 13 times a year!

Happy holidays, you guys! :)

CAPRI
down with pants

Hey! It's Lindsey. Gorgeous Capri is a sophomore in college, where she drives her two roommates crazy by walking around naked all the time. (Why, oh why, didn't I study for my SATs?)

So, I'm going to guess you liked posing nude.

I *loved* it. As soon as I got to the photo-shoot, I started, like, flinging my clothes off. Remember? And you and the photographer were all, "No, no, we have to shoot you fully dressed first!"

We didn't even get you with your top on. You were too fast for us! Plus—where was your bra, young lady?

I *never* wear bras. They're too constricting. I don't *need* one, do I?

No, your boobs are perfect. Would you say they're your best feature?

No, I like my hair best. I take really good care of it so it always looks healthy and shiny. ---➤

AGE: 19
HEIGHT: 5-5
WEIGHT: 122 POUNDS
MEASUREMENTS: 32B-24-36
HOMETOWN: MCLEAN, VA.

So then, do you totally freak if a guy's jizz accidentally lands in it?
No! I'm not one of *those* girls. Sex is messy. That's one of the awesome things about it!
What's your *favorite* place for a guy to come?
Anywhere! All over! I like to get all sweaty and sticky.
Now back to your nudity obsession—have you ever been naked in public?
No. I mean, I don't want to be arrested! But I did go to a topless beach when I was in Spain last summer. That was like heaven.
Have you ever had sex in public?
Well, a couple of times in a car. I don't know if that really counts.
What's your favorite position?
I like it from behind. A little rough.
Do you like anal sex?
Not *that* rough!
What's the best way for you to come?
Getting eaten out, definitely. I *love* that. If a guy or girl licks my pussy right, I'm their total slave for life.
A *girl*? So, you're bi?
Oh, yeah—girls are hot! My roommates are both smokin'. I think that's why I walk around naked even though they complain about it. I'm trying to win them over!
What was your best experience with a girl?
Well, one night the pool at our school was deserted. Just me and this one other girl were there. We ended up making out, and we fingered each other right there in the pool.
***That's* public sex.**
Hey, yeah! But we went up to her room before things got *too* heavy. Her pussy totally tasted like chlorine. Now whenever I smell chlorine, I get horny!
Do you like girls better than guys?
No! Girls are fun, but guys really make me lose my mind. Something about big, hairy arms and a big, hard cock....
What kind of guy are you looking for?
A guy who won't mind if I'm naked all the time. Do you think I'll ever find him? ;) ★

"I like to get all
sweaty and sticky."

GINA

studying hard

photography by sexkicks

Hi, guys! I'm Allie the intern, and this is Gina. She's a college freshman and newly crowned ex-virgin who's gone a bit wild since leaving home.

What are your favorite hobbies?
I like to chill with my friends and laugh at everything. I love to dance, text and drive random places.
What turns you on?
I get very wet having my tushie tickled and caressed. My cheeks are *so* sensitive!
What do you do to turn a guy on?
I walk around wearing a white tank top so my perkies are in full-perk view.
What's you favorite sex trick?
I like to chew on cinnamon-flavored gum before going down on a guy. My mouth feels like it's on fire—and the rest of me is, too!
What made you want to pose nude?
Someone asked, and I said yes! My motto is, "Live like there's no tomorrow and have fun."
What kind of guys do you like?
Smart is sexy. Older guys rock. High school boys are too immature. That's why I decided to wait until college to lose my V.
How did you lose it?
I met a cute guy in my dorm, and we talked all night. He started kissing every inch of my body, and by the time we actually had sex, we were both about ready to explode. The first time didn't last long, but the second, third and fourth times were amazing!
Do you like oral sex?
Sucking cock is fun! The first time I did it, I got really into it and just kept sucking. I made him come like three times in a row.
When you give head, do you spit or swallow?
Swallow! The taste of cum totally turns me on.

AGE: 18
HEIGHT: 5-1
WEIGHT: 99 POUNDS
MEASUREMENTS: 32B-22-30
HOMETOWN: YOUNGSTOWN, OHIO

Do you like anal sex?
Totally! That whole area back there is super sensitive, so having a cock up there is like regular sex times a million.
Where do you like a guy to come?
Wherever he wants.
How do you like to be fucked?
Part cuddly romantic and part animal aggressive. I like to be fucked hard, but I want to fall asleep in his arms afterward.
What's the weirdest place you've had sex?
In the laundry room in my dorm. My roommate kicked me out because she had a guy in our room. I went to the laundry room to study and met a guy whose roommate kicked *him* out, too. We laughed, and one thing led to another.
What's your ultimate sexual fantasy?
To put on a blindfold and let a man do whatever he wants with my body.
Did you like posing nude?
It was really exciting and a lot of fun. I was wet for the rest of the day! I hope the pictures came out okay. ★

MELANIE
JAYNE
cheeky girl
photography by teencyberbabes

Hey! It's Lindsey. High school senior Melanie Jayne is a bit of a trouble-maker. You can see it in her eyes...and read about it below!

Tell us about yourself:

I'm fun. I'm open-minded. I don't always think before I do stuff. I like being spontaneous. Sometimes that gets me in trouble!

What part of your body do you consider your best?

My ass, because it is nice and juicy.

What's your favorite sexual position?

From behind with my hair pulled.

Do you like anal sex?

It feels amazing—just not when the guy is too big.

What's too big?

Mmm—more than six inches?

That leaves out a lot of guys!

I can't help it, my butthole is tight!

What if a guy with, like, a six-and-a-half-inch cock wanted to do you in the butt—what would you say?

I would say, "Okay, we can try it, but it might not work. Also, you should lick my butthole first and get it as wet as possible!"

AGE: 18
HEIGHT: 5-3
WEIGHT: 104 POUNDS
MEASUREMENTS: 34A-21-30
HOMETOWN: BURLINGTON, VT.

Where do you like a guy to come?
On my ass, because I like it when they spank me with their cock when they come.
Are you bisexual?
Yes, girls are sexy.
What was your best experience with a girl?
Umm...a threesome with my boyfriend and best friend.
Really? That sounds like it could have been complicated.
I know! When the three of us started just kind of messing around, I was thinking, Omigod, I'm going to feel so jealous if he fucks her. But it totally turned me on to watch them going at it! I just planted my pussy right on her mouth, and she ate me out while he was on top, ramming her with his cock.
What is the wildest thing you've ever done?
Probably slept with my best friend's boyfriend.
That same best friend who had the threesome with you and your boyfriend?!
Yeah. I kind of ask for trouble sometimes, don't I?
What's the best way for someone to pick you up?
Make me laugh.
What's the best way for someone to make you happy?
Make me come! ★

"Anal sex feels amazing."

MISSY
STONE
the secret's out

Hi, guys! Jenny the intern here with up-and-coming porn star Missy Stone. She's already been in lots of movies, and butt sex is a major theme in most of them!

What are your favorite hobbies?
Shopping, spending time with my friends, laying out by the pool and going out to eat.
What turns you on?
Blue eyes, muscles, that certain way a man touches a woman when he makes his move.
What's your favorite sexual position?
Ooh, any position—as long as I come over and over and over again.
What kind of men do you like?
Tall men. Older men. I like clean-cut gentlemen that take care of themselves.
How did you lose your virginity?
We did it on a futon, but my grandmother woke up and interrupted us.
Do you like oral sex?
I love it when it is done right. I shake all over. I love it because after foreplay comes sex....
When you give head, do you spit or swallow?
I always swallow. It's respectful.
Do you like anal sex?
I do. It can be uncomfortable at first, but when it is done right, I have the most intense orgasms, and I am known to squirt from time to time.
Where do you like a guy to come?
In my mouth. Like I said, I love to swallow. Yummy!
Have you ever had sex in public?
Yes. It is exhilarating, thrilling. Knowing I was being watched made me come harder. It is a turn-on.

What's your deepest, darkest secret?
Mom, I have sex with boys on camera for the whole world to see. *Oops*, the secret's out....

How often do you masturbate?
I masturbate three to four times a week. The mood has to be right—usually when I am suffering from sexual frustration.

What's your favorite masturbation method?
I have a vibrator and a butt plug, ten fingers and an amazing imagination. I have all the bases covered.

How do you like to be fucked?
Rough. I love having my hair pulled. Have your way with me. Control me, and make me submit.

How can a guy best make you come?
Tease me! Don't give me what I want right away. Make me beg for your cock....

What's the best way for a guy to pick you up?
Tell me something clever, and use your wit. Don't use a pickup line, just simply let me know you are interested, and give me a challenge. I love a challenge.

What's the best sex you've ever had?
The best sex I've ever had left me paralyzed on the couch with a blushing smile on my face. I came so hard, I had tears running down my cheeks. I couldn't breathe, either! Incredible night.

Did you like posing nude?
Yes. It is exotic. I am comfortable with my body and enjoy teasing the camera with my goodies.

Anything you'd like to say to your fans?
I want to hear from all of you! Please visit me on MySpace. I will be waiting.... ★

GEEK GIRL GETS IT ON
the true diary of jeri day
photography by dave naz

Hi! I'm Jeri from Mesa, Arizona, and I can't believe I'm here—I LOVE BARELY LEGAL! I feel like I've blossomed since I turned 18. Is that conceited? A lot has happened, though. I got a job at Borders, reached level 38 in World of Warcraft (I'm a Night Elf Huntress, BTW!), and, as you can see, rocked it buck naked in the world's hottest magazine!

The other big news is that my love life is finally beginning. Lindsey said the best way to tell readers all about it would be to hand over my diary. Well, she's the editor, not me, and of course she picked all the slutty parts. Thanks a lot, Linz! LOL! Oh well—what are dirty secrets for if not for sharing? ;)

September 27

I'm so glad it's senior year. Only nine months left of beef heads and *Gossip Girl* wanna-bes.

One bright spot—there is a GORGEOUS new guy. He's from Vancouver, I think? SO beautiful—dark-eyed and pale, like he walked right off the pages of *The Twilight Saga* ready to bite me! I'm so sure. He's way out of my league.

That's okay, there's this other guy who just started at Borders, and he's sweet, and he might actually like me 'cause he's kind of nerdy. His name's Brendan. He's cute, kind of like if Michael Phelps was a computer geek, and super skinny.

When did I get so boy-crazy anyway? Must be my hormones—I've been such a horndog lately! Oh well—guess I'll have to keep playing with myself and pretending Dr. Baltar from *Battlestar Galactica* is licking my pussy. *Hee*!

September 28

Talked to Brendan today! He's older—26, I think? Maybe I'll ask him to the sci-fi/fantasy convention. Is that too geeky?

October 2

Guess what—I have a date! Yes, Brendan is going to the convention with me.

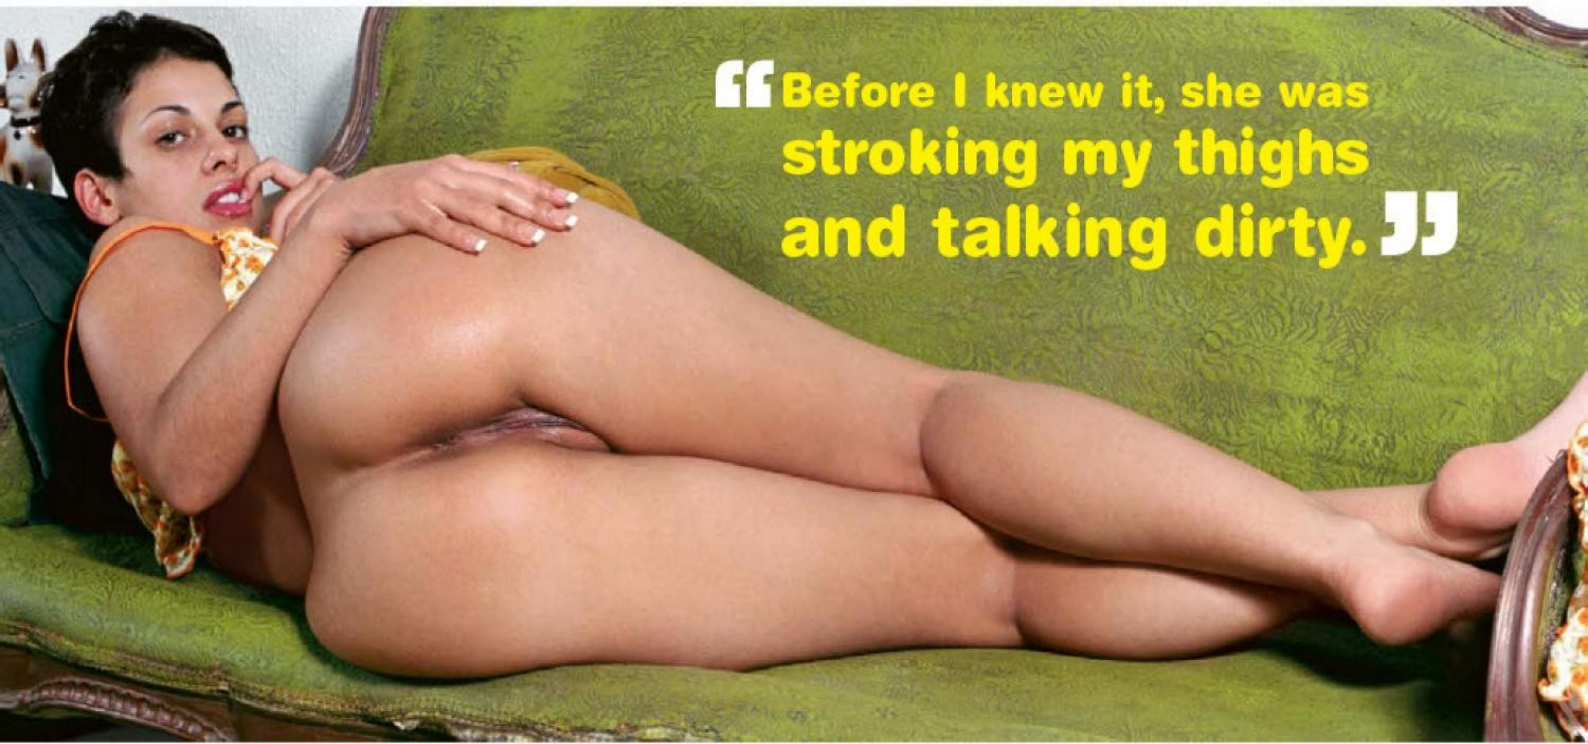
Meanwhile the new guy at school is making me have to rub my puss in the bathroom between classes. His name is Grey—*ooh la la*! All the hot girls are shoving their boobs in his face. Oh well, I have a date anyway.

BTW, total change of subject, but my friend Haley from work, she lent me these lesbian-porn manga, and I jacked off to them. Yes—dirty, gay drawings of Japanese cartoon girls make me masturbate. I wonder if Haley was hitting on me. Am I gay?

October 5

HUGE news—Brendan touched my pussy. *Yay*! I touched his cock, too. *Woo hoo*!

The convention was okay. The lady who played Na'Toth on *Babylon 5* was there signing autographs, and I found some cool manga, but the best part was after. Check out what a slut I am—the convention was at the La Quinta, so I was like, "Hey, Brendan, let's



get a room!" Can you believe me?!

We went Dutch on a single. It was sort of awkward at first. We watched a booby movie on Cinemax. I was embarrassed and horny at the same time, so the only cure was to make out. I overcame my nerves and got sexy.

I tossed off my panties. Brendan's hands trembled. He was sweaty.

"Finger me," I whispered.

Can you believe I said that?! I'm glad I did, though. He tickled my thighs. His fingers drifted to my cooch. I was dripping. I'm used to my own hand—a real guy's touch is *way* more exciting.

I spread wider. "Stick your finger inside," I whispered.

He sank his index finger into me and wiggled, his thumb pressing against my clit. I felt like coming already.

Brendan must have been getting pretty turned on, too. He got aggressive all of a sudden. "Pull my dick, baby."

Diary, it was crazy. Inside I was like, What am I doing? I just started jerking away. But it's not like you actually pull the whole thing. It's like, the skin of the dick, it's really slippery and slides over the dick itself. It's so weird! But awesome.

Also? The balls get really hard and swollen. I thought you weren't supposed to touch a guy's balls because they're, like, so sensitive, but Brendan actually *asked* me to squeeze his. I did, gently. He moaned and his dick twitched and got even harder. I thought he was about to squirt on me, but he held off. He was like, "I want to see you come." He fingered me harder. When I started to come, so did he. We moaned and quivered. I felt a hot *sploosh*. His jizz coated my belly.

Yes, I feel awesome. But it's so weird—now I'm even *more* horny!

October 15

I guess me and Brendan are an item. We hang out a lot, and he's always IMing me. I like him a lot, and enjoy making out, but I have to be honest: I still have a severe crush on Grey.

It's okay. It's not like Grey knows I exist. Although, I could have sworn he was looking at me in French class today. I could have died. But also, I was probably imagining things. I should just forget about it and try and be a good girlfriend. For once in my life, a boy actually likes me!

Oh, and apparently Haley *was* hitting on me when she gave me that lesbian manga the other day. Last night she was helping me stock magazines and kept brushing her boobs against me. She has really big boobs! She dresses kind of punky tomboy like she doesn't care, but then she wears these white V-neck T-shirts, and she's all boob. Not that I'm staring. Anyway, she kept resting her big stack on my back, hard nips and all. Oh well, it didn't bother me.

October 18

So tonight this crazy thing happened, and now I don't know what to think.

It started at work today. Haley's been trying to get me to come over forever. She's only 19, but she's super independent and has her own place. Today she brought Brendan into the mix. She was all, "You guys, I just scored the *best* weed. It's from Oregon."

Well, as for me, I don't use drugs, but Brendan was like, "Right on!" All excited. Since when was he a pothead? I was peeved, but I didn't want to be a drag, so I was just like, "Oh. Okay."

I showed up at Haley's around seven. The place was thick with smoke. Brendan was sitting (way too close!) on the couch with Haley, *SoulCalibur IV* battling. Haley jumped up.

"Awesome, you brought ice cream!" She wrapped her arms around my neck and kissed me on the cheek. Brendan grinned from the sofa, his eyes glazed.

"Hey, babe!" he waved. I followed Haley to the kitchen. She tossed the rocky road in the freezer and kissed me on the mouth. I was like, WTF? Then she grabbed a beer from the fridge for her, and a diet cherry vanilla Dr. Pepper for me.

"I know it's your fave," she said. I followed her to the couch and sat between her and Brendan. Before I knew it, she was stroking my thighs and talking dirty. "Your boyfriend wants to see you get eaten by a dyke with big titties."

I turned to Brendan like, *Ha ha*, isn't she so high? But he just smiled.

Haley pulled her boobs out of her wife-beater.

"Lick my tits," she ordered.

I turned to Brendan again. He just went, "Yeah, baby—lick those tits." He had a huge bulge in his crotch.

I was like, Did I wander onto a porno set somehow? I always thought Brendan was shy, but there he was, pulling his cock out of his pants right in front of everybody. Meanwhile, Haley was squeezing her tits in my face.

But here's the weird part. The complete dirtiness of the situation was starting to turn me on! I mean, my pussy was totally squishy, and I felt hot all over. As an experiment, I took one of Haley's tits in my hand. I barely even touched her nipple with my tongue, and she moaned.

"Yeah!" Brendan growled. He was slowly stroking his cock. "Now suck it!"

I did what he said, and Haley's moans got louder. It felt so awesome, turning on two people at the same time. My pussy was, like, flooding.

Haley slid her fingers up my skirt. "What a wet little pussy," she panted. I spread my legs, like, by instinct, and Haley dove in. Her tongue darted and flicked. It was like magic, how she thrust in and out fast, then slowed down to a slow-motion crawl. I moaned and spread my pussy wide.

Meanwhile, Brendan had unbuttoned my blouse and was rubbing my boobs with his free hand. I felt a serious orgasm building. Haley planted her mouth over my entire puss and sucked, like a wet vacuum. That was all I could take. I dug my fingernails into the cushion under my butt and soaked the upholstery.

As I flopped back to recover, the most insane thing happened:

Haley crawled into Brendan's lap. As in, she sat down on his dick and had sex with him, right in front of me!

I was stunned. I sat, staring. Her boobs bounced. He gripped her waist and gritted his teeth. He came all over her pussy.

Okay, so, let me get this straight: Haley boned my boyfriend. I thought she was gay! *I* haven't even boned him. Who am I to talk, though? I let her eat my pussy.

I didn't think having a boyfriend would be so complicated.

October 19

Brendan's been sending IMs all day, and Haley keeps texting me, too. What am I doing? I don't know if I want a boyfriend or a girlfriend or neither or both. Maybe I should have stayed single.

October 21

Haley cornered me in the stock room last night wanting to know if I was mad. She said she thought I wouldn't care if she humped Brendan 'cause she's a dyke. WTF?

"*You're* the one I want," she said. She stuck her hands right up my shirt. She's so aggressive!

My nips got hard involuntarily, but I made her stop. I was like, "I need some space," and walked out.

Am I in a soap opera or something? How did I go from geek girl to love-triangle lady?

Speaking of *love*—I saw Grey across the cafeteria today, and I swear he smiled! I don't think he's dating anyone even though everybody wants to bone him. *Sigh.*

October 23

It's amazing how easy it is to go right back to being a loner and playing *WoW* instead of going on dates and having threeways. Brendan is still bombarding me with IMs, but I feel too confused to reply.

In other news, I had a dream about Grey. We were in a gothic castle, and I was naked, sucking his dick. !!! It's true. It felt so real, like if I went and BJed him in real life, I would totally know what I was doing! I wish I was giving him BJs. Sorry, I'm being a slut. But for real, I would love to put Grey's cock in my mouth. LOL!

October 24

Okay, you're not going to believe this, Diary. Today I was about to leave school, the very end of the day, and Grey came up to me and was like, "I've really been wanting to talk to you." Well, long story, but the outcome is that we are getting together tomorrow night. Holy crap!!!! Sorry, Brendan!

October 26

Somebody pinch me, 'cause I know last night was a dream.

Maybe it sounds like a weird date, but we went on a moonlight walk. Grey held my hand, and my heart was in my throat. We stopped at a huge, old abandoned house. It looks haunted and Victorian. It's pretty. I sat on the rickety porch with Grey.

"This is where I come to think. I have to get away." Grey looked at me. "I hate that school." I laughed and so did he.

"You're different." He touched my lips. I was going to faint. "You're your own person. I admired you from the start, but I'm shy.

I've wanted to talk to you for weeks."

"No way!" I squeaked.

Why would anybody be shy about me? I felt embarrassed and elated and squirmy. I closed my eyes. Grey was about to kiss me.

His tongue was soft and hot. All I felt was his mouth, like I was floating in space and could only breathe through his lungs. Is that corny? That's how I felt, though. Then his hands were on my chest, creeping under my sweater and unhooking my bra. It was chilly out, and my nipples were hard. Grey cupped my boobs in his palms. I fell back, and he pressed himself on top of me, grinding his boner into my crotch.

I slid out of my jeans. I didn't care if I got splinters in my butt, or if I was being slutty. This was what I wanted.

Grey unzipped his jeans, raised up on his knees and scooted up until his dick was in my face.

"Suck it," he breathed.

Just like my dream! I opened my mouth, and he slid his dick between my lips. It really was like I'd done it before. My dream had taught me everything. My throat was relaxed, my jaw wide. I wrapped my tongue around his shaft and pumped my cheeks so my mouth filled with spit. I sucked and licked and slid down to slurp his balls. He groaned and pumped and started acting really dirty.

"I'm fucking your mouth," he grunted, battering my tonsils with his cock.

I opened my throat wider, taking in all of his dick. I sucked harder. I wanted to drain him dry—just, like, drown in his jizz.

But he pulled out and hovered over me, like he was waiting for something. I knew what. I stuck my fingers in my pussy and moaned, "Fuck me!"

Grey spread my legs and nudged his wet boner against my pussy. Now I was nervous. This was *real*. My heart was pounding.

Grey spread my pussy lips with his fingers, and eased his cock in, just the tip. "You're so fucking *tight*," he gasped.

I couldn't think straight. Was that a bad thing, to be tight? The answer was definitely no, 'cause Grey groaned as he sunk his dick deep inside. My pussy just, like, gave way. It might have been tight, but I felt loose all over—completely open.

Grey dug his fingers into my butt crack and spread my cheeks. He stuck his tongue in my mouth. He pinched my nipples and spanked me. He wasn't *acting* like a shy guy!

"Fucking hot," he panted.

He pumped harder. I was filled with cock, but I wanted more. I braced myself on my arms, lifted my hips and shoved my pussy back at him. We slammed together, gasping for air, sweat flying everywhere.

Grey's head got floppy, and he pulled his dick out, plastering my titties with hot cum. My first time was over!

What are you supposed to feel when you finally do it? 'Cause all I can feel is, when can I do it *again*? ★

ANN

clean body, dirty mind

photography by e.i.p. studios

What's up? Jenny the intern here with adorable high school senior Ann. Who knew showering could make you feel so dirty?

What are your interests?
I love NASCAR racing. Tony Stewart is my favorite man.
What turns you on?
I must say, guys with tattoos make me bite my lip and want to do dirty things.
What is the one thing guys wear that makes them look sexy?
Blue jeans and cowboy boots.
What do you do to turn a guy on?
I'm not very good at it, but I like to talk dirty when I'm in the mood.
Reason for posing nude?
My mom actually told me to do it! I think she's living her life through me a little bit.
What do you look for in a guy?
I would like to find a good guy—one day—who knows how to treat a girl right. 'Cause I still haven't found one. I guess they are hard to find.
Do you like oral sex?
Mmm, yeah—I suck it like a lollipop!
How do you like to be fucked?
I like when guys are aggressive. I love it when they know where to touch me and how to keep me interested.
What's the best sex you've ever had?
I was having a hard time with biology, so this nerdy guy offered to help me study after school. He kept checking me out, and I noticed a *huge* bulge in his pants. I couldn't help myself. I reached over and grabbed his dick and rubbed it through his pants. I pulled it out and jerked him off. Then I pulled my pants down and got on top of him. He was really big, and I came fast. I made him promise not to tell anyone!
What's your ultimate sexual fantasy?
A threesome with a guy and another girl. I think it'd be fun to do stuff with a girl, like go down on her and whatever, but I'd still want a guy there. Sex isn't sex without a penis!
Did you like posing nude?
Yes. I'm not ashamed of my body. Besides, life is too short. ★

What turns you on?
When a guy keeps telling me how much he wants to fuck me.
What's your favorite part of a guy's body?
I definitely love eyes—color doesn't matter—cheekbones and a round, full behind. I'm a pincher!
How did you lose your virginity?
I lost it to a guy who was going away to the Army, my reason being, he was super nice and leaving in a couple weeks, so he wouldn't have a chance to break my heart.
Do you like oral sex?
Yes, I just love sucking a guy's dick.
How do you feel about swallowing?
I absolutely love the taste of cum. I never waste a drop!
Do you like anal sex?
I'm totally addicted to anal sex. I love the feeling of my butthole being stuffed by a huge cock.
What special techniques do you use when you masturbate?
I like to watch lesbian porn and finger myself. I'm not a lesbian, but watching girls masturbate while I do really gets me off.
What positions should all sexual encounters include?
I can't imagine having sex with a guy without sitting on top of him and riding him. I start and finish with that one. It's the best!
What's the absolute best sex you've ever had?
I had nasty, hard-core sex with my last boyfriend while my parents were downstairs watching TV. We did it for hours without them knowing. I really got off on the thrill of maybe getting caught.
What's your most erotic sexual fantasy?
One time during a sleepover, my girlfriends grabbed me and tickled me so much, I peed my pajamas. I've had fantasies about it ever since—not only about them tickling me, but spanking me and making me lick their pussies. I'm not a lesbian, but it's my all-time favorite fantasy. God, I must be so weird.
Did you like posing nude?
Yes. It was very fun. I felt like a total sex goddess. Thinking about guys getting hot looking at my pictures was *soo* sexy. My pussy was dripping wet. ★

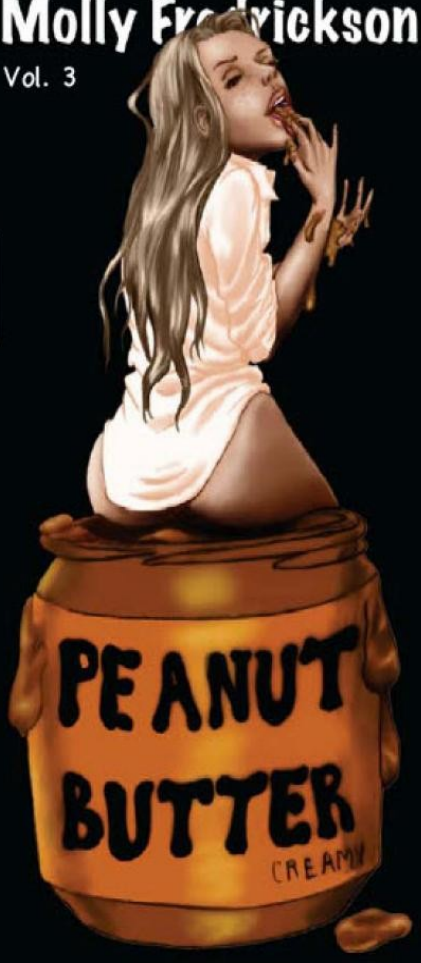
Vol. 3



Chapter 2

"Weekend At The Wilson's" part 1

by Cornnell Clarke

As seen in Peanut Butter, Vol. 3, available from Eurotica, www.nbmpublishing.com.

September 18th, 2005

Dear Diary,
Well, I've just had my first weekend out here in San Diego and boy! It was crazy!

No. I didn't go to any college frat party, get drunk, and get laid.

No. I didn't go to see the baseball game (talk about not fun!).

No. I didn't go to the beach and lay out although, it would have been convenient, since I'm already out here...

And no! I didn't go to a bar, get stone drunk, and have sex in a bathroom stall although, that sounds like an idea...

All I did was stay out here in the middle of nowhere at Professor Wilson's house. And already, I can't wait to get back next weekend...

© 2008 Cornnell Clarke represented by NBM/Eurotica.

Oh... Did I forget to mention all the fucking I did? If it's anything like what happened the last couple of days... Shit! I wish I could go to college from here!
It's definitely a lot more fun than rooming with that fat bitch Thelma, back at the dorm.
Fuck! I can't remember the last time I had so much dick in me.
I don't think I'll have to eat or drink for the next couple of days with all that cum in my tummy. Hah!
In fact, I might have to go on a diet 'cause that's way too much protein for a little girl like me.
Worse thing is I keep thinking about that black bastard Milton (Prof. Wilson's friend) and his "boys". The things they did to me...
Wait a minute!

Let me start from the beginning...

It was supposed to be Jean, Azuka and I meeting up and going to Professor Wilson's beach house on Friday but,

Jean's boyfriend Ron had a basketball workout with underclassmen.

Me, not being the basketball type, decided to go on ahead hoping to meet up with Azuka & the Prof. at his beach house but the only person there was the Prof's wife Alina.

Turns out that the prof and Azuka had decided last minute to join Jean at the basketball game...

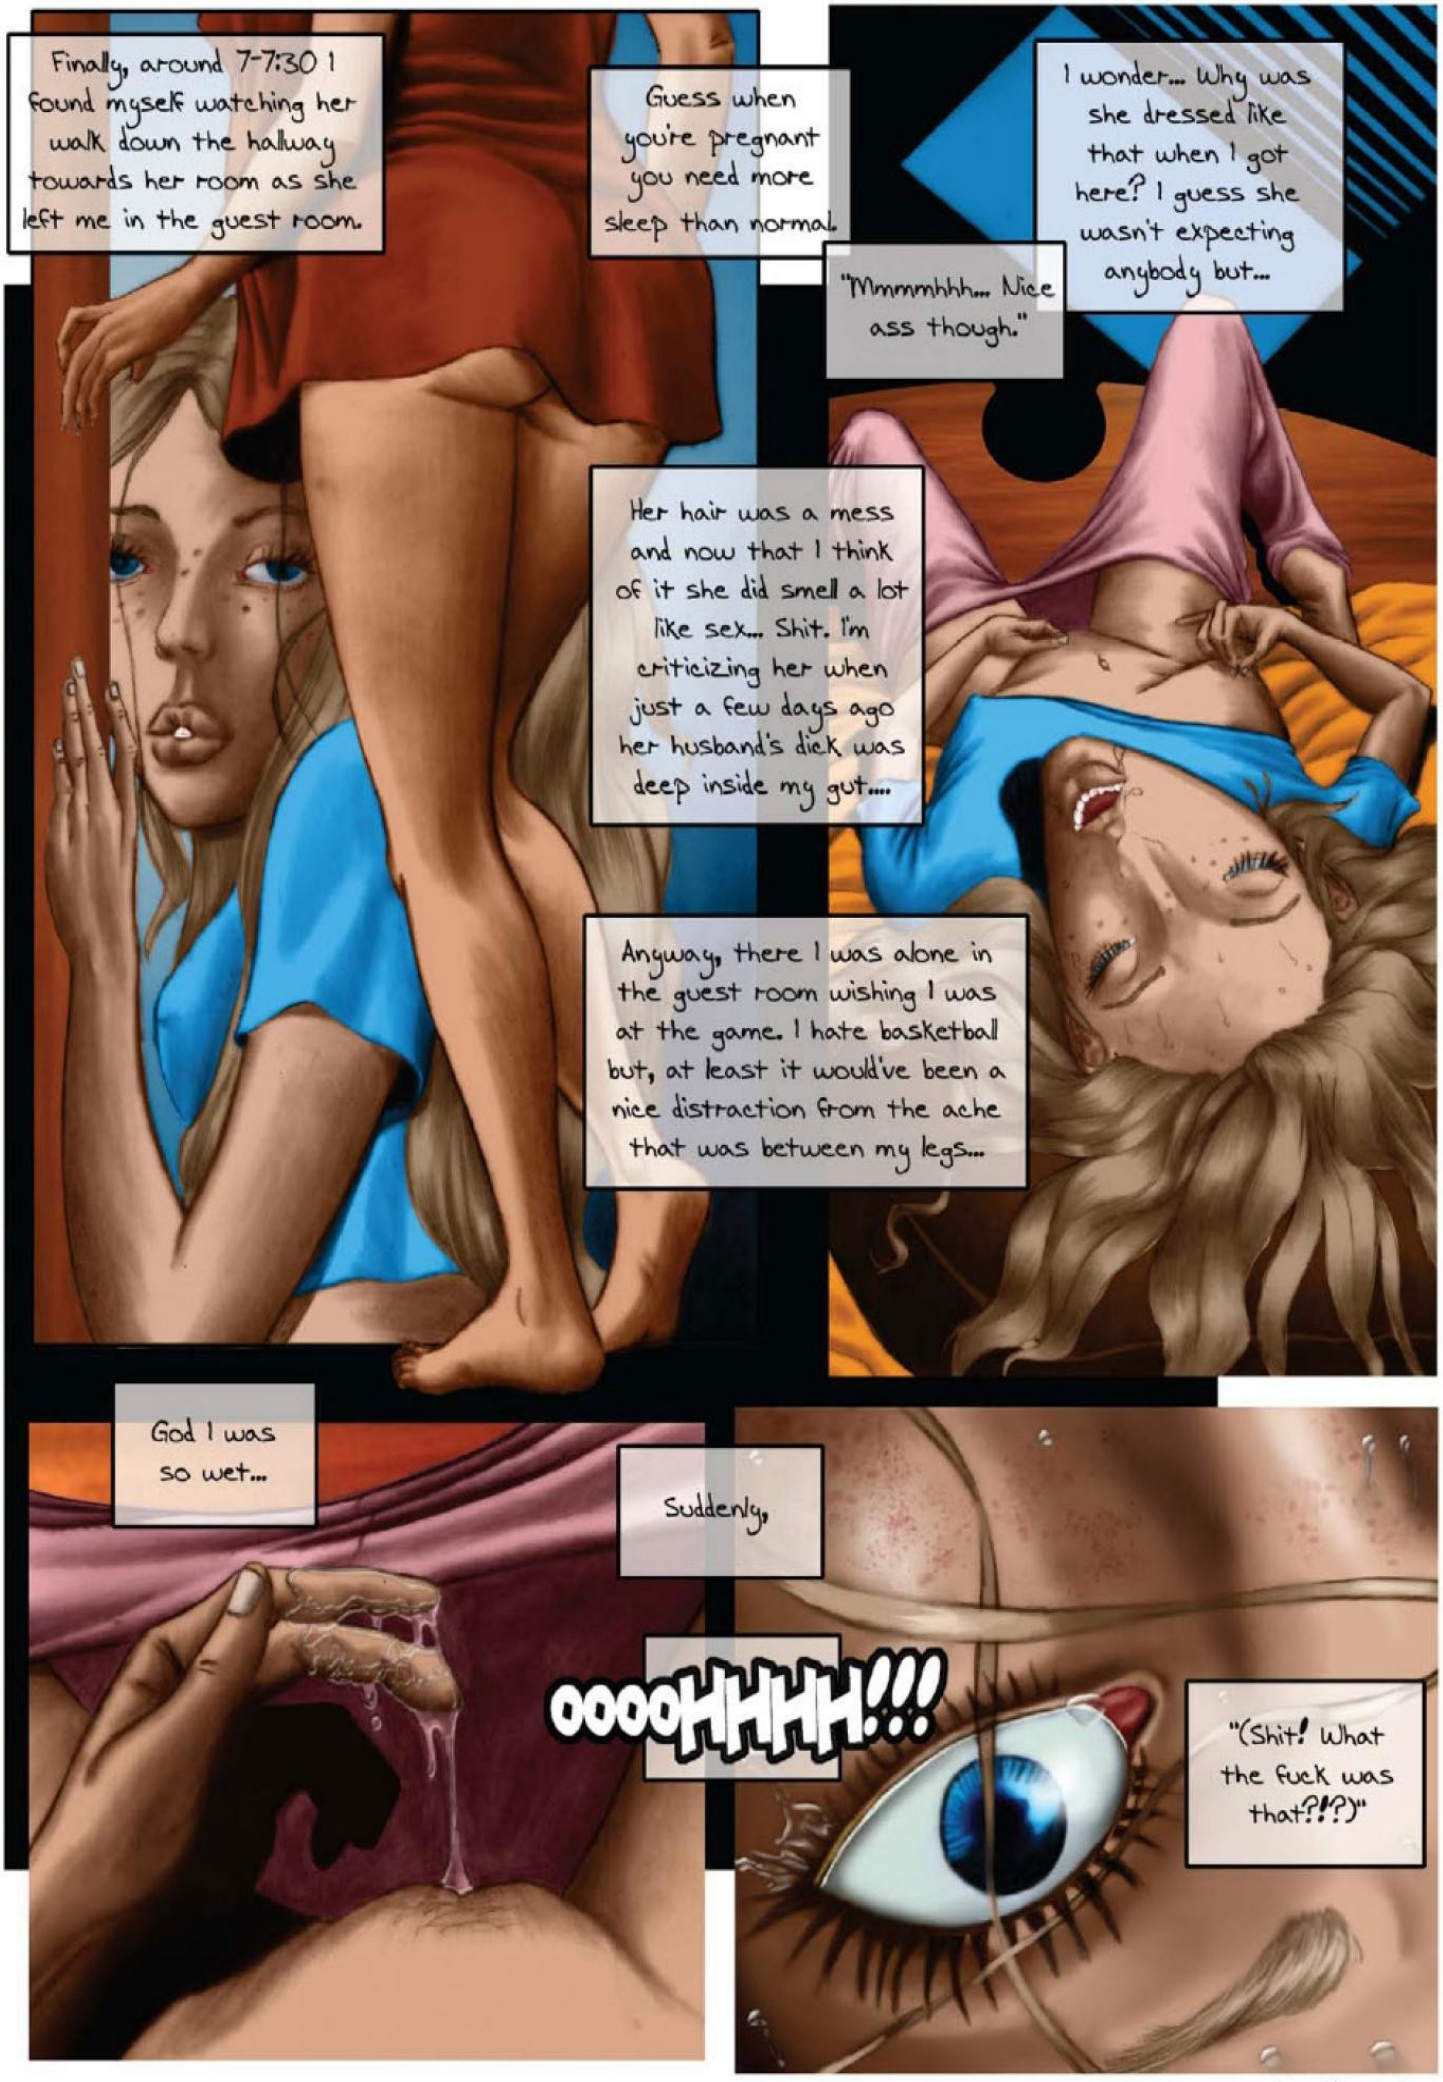
So... There I was, left alone, with the Prof's very pregnant and freakishly endowed wife.

Boy! That was awkward. We chit chatted for a while. Although, I could barely understand her English... I think she's from Germany or something...

She showed me around, and served dinner.

She was nice. Even so, all I kept thinking was that Jean, Azuka, and I had just fucked her husband two days ago.

That and the fact that she had the largest pair of juggs I've ever seen! I kept having to force myself not to look at them!



Finally, around 7-7:30 I found myself watching her walk down the hallway towards her room as she left me in the guest room.
Guess when you're pregnant you need more sleep than normal.
I wonder... Why was she dressed like that when I got here? I guess she wasn't expecting anybody but...
"Mmmmhhh... Nice ass though."
Her hair was a mess and now that I think of it she did smell a lot like sex... Shit. I'm criticizing her when just a few days ago her husband's dick was deep inside my gut....
Anyway, there I was alone in the guest room wishing I was at the game. I hate basketball but, at least it would've been a nice distraction from the ache that was between my legs...
God I was so wet...
Suddenly,
OOOOHHHH!!!
"(Shit! What the fuck was that?!?)"

LEXIA

miss popularity

photography by jana krenová

Hola, amigos! I'm Allie the intern. Lexia is the pep squad captain and senior class treasurer at her high school—*and* she puts out. No wonder she's so popular!

What are your favorite hobbies?
I love partying and hanging out with my friends. I don't party *too* much, though. I've been super busy with school and stuff.
What's your relationship status?
I'm currently single.
What kind of guys are you into?
Jocks are hot, but too full of themselves. I want a guy who knows how to treat a woman.
Are you bisexual?
I've done stuff with my girlfriends, but I'm pretty much heterosexual.
What was your best time with a woman?
Taking a shower with my best friend and soaping up her ginormous boobs!
How did you lose your virginity?
We did it in the backseat while parked at the beach. We planned to do it *on* the beach, but it was way too cold!
Do you like oral sex?
I love it! I just have one rule before a guy goes down on me—he has to shave his face! I don't want to feel sandpaper between my legs, thanks!
Do you like anal sex?
Not all the time, but with someone special. If a guy can make me come, then I'll do anything he wants!
What's your favorite position?
Um, I don't think I have a favorite. It's all good!

AGE: 18
HEIGHT: 5-7
WEIGHT: 140 POUNDS
MEASUREMENTS: 36C-25-36
HOMETOWN: CHARLOTTE, N.C.

Do you enjoy exposing yourself in public?
Not so much. There's a time to be naughty, but I don't think I'm much of an exhibitionist.
How did you get into modeling?
Someone said I'd be perfect for it. I was kind of curious, so I thought I'd give it a shot.
How often do you masturbate?
Whenever the mood strikes—pretty much every day!
What's your favorite masturbation method?
I use two hands—one on my clit and one in my pussy.
What do you think about when you masturbate?
I like to imagine that I'm invisible and hanging out in the boys' locker room. *Nice*!
What's the best way for a guy to pick you up?
Look me in the eye when asking me out. I know my boobs rock, but chill out. If I like you, you'll definitely get to second base! LOL!
What's the best sex you've ever had?
I had a sort-of threesome in the bathroom at a party once. I don't even know how it happened. One second, I had to pee. The next, I had a dick in my mouth and some girl's fingers in my pussy. Weird.
What's your ultimate sexual fantasy?
The boys' water polo team comes to mind—*not* that I'd do that for real!
What are your future plans?
Get into college and get a job where I can make a difference.
Did you like posing nude?
I wish I was a *few* pounds lighter, but it was sexy. Plus, I think it'll look good on my college applications! LOL! ★

"You'll definitely
get to second base!"

Adam & Eve Pictures. Directed by Carlos Batts; starring Kimberly Kane, Ashley Blue, Mandy Morbid, Lystra, Adrianna Nicole, Lindsey Meadows, Steven St. Croix, Jerry, Dane Cross and Alex Gonz.

The trying-way-too-hard-to-be-cool *Young Hollywood* is *not* about Paris and Lindsay—it's more like a peek into the freaky underbelly of Hollywood, starring BARELY LEGAL Hall of Famers Kimberly Kane and Ashley Blue. Kimberly's a born cocksucker who's filled out nicely. She looks great doing the bump-and-grind—she's super hot, and the director captures her moves in style. But there *is* such a thing as *too much* style. I was freakin' out during Ashley's scene, and not just because she went straight to anal. All the trippy colors and weird music and druggy slo mo were interesting, but way too distracting considering the hard-core sex going on. It reminded me of, like, trying to watch scrambled porn on cable—*um*, not that I ever did that! Plus, I was most looking forward to my girl Lindsey Meadows—then she popped up looking, like, totally mom-ish (not to mention *soo* '90s) with her big hair and red fishnets. But she has awesome skills and good energy, so good job anyway, Lindsey! Overall, *Young Hollywood*"s artsy style was totally creative, but I can't say that it put me in the mood. *But* it has cool girls and hot sex and a definite vibe, so it's not *all* bad.

Hi, I'm Jenny the intern. Snow Flake is a sexy and sophisticated college sophomore who's as unique as her name.

What are your interests?
Camping, fishing, horseback riding—anything outdoors. *Oh*, and I'm in love with taking pictures.

How would you describe your personality?
I'm pretty down-to-earth. I hardly ever fight with anyone or get in trouble.

What turns you on?
Quickies are hot—especially in places where you're not supposed to have sex.

What do you do to seduce a guy?
Lean over as if I dropped something and show off my boobies.

What's your favorite part of a guy's body?
That V-shaped part of the pelvis that you can see when a guy wears jeans and no shirt—*mmm*!

How did you lose your virginity?
Um, a penis went in my vagina? LOL! No, seriously, I was a camp counselor over the summer, and one of the other counselors was just really cool and really cute.

What do you like best about giving head?
Sucking dick just turns me on. I love it when guys grab the sheets and scream.

How do you feel about swallowing?
I love when guys come in my mouth—*yum*!

How do you feel about anal sex?
I've tried it a few times—unsuccessfully! My butthole's just really tight, even when I'm relaxed.

What special techniques do you use when you masturbate?
I always put my pillow under my butt. For some reason, I can reach my G spot better that way. By the time I'm done, the pillow's between my legs, and I'm riding it like a horse!

What's your favorite position?
I would have to say missionary. That way I can wrap my legs around him for deeper penetration, and he can lick, suck and bite my tits.

What's the absolute best sex you've ever had?
Um, my first time, the first time I had an orgasm, the first time I did it outdoors—I don't know! Every time has been the best—and every time it's better!

What's your most erotic sexual fantasy?
A threesome with a guy and a girl. I've never been with a woman, but I think girls are hot.

Did you like posing nude?
I don't mind showing my boobs, but going bottomless was new for me. I was nervous, but more than up to the challenge. ★
